

# PERMEABLE PAVERS BY IDEAL®

- ✓ Provides 100% stormwater infiltration
- ✓ Pedestrian friendly
- ✓ Contributes to groundwater recharge
- ✓ Rainwater harvesting
- ✓ Firm, stable and slip-resistant
- ✓ Qualifies for LEED® Credits
- ✓ Easy to clean and maintain with conventional street sweepers
- ✓ Reduces urban heat island effects
- ✓ High-strength 9000 psi pavement

■ Driveways ■ Parking lots ■ Low-speed roadways

- ✓ Mitigates runoff, TSS, pollutant loads and captures “first flush”
- ✓ Winter friendly
  - Snow-plow safe ■ Allows snow melt to drain
  - Minimizes icing and deicer use

- ✓ Summer friendly
  - Unaffected by heat
  - No binder drain-down

- ✓ Facilitates evapotranspiration
- ✓ Factory-made and ready to install year-round
- ✓ Cost competitive to conventional pavements
- ✓ 30 plus year life cycle
