

New product!

WINDSOR SLAB™

Introducing Windsor Slab – our latest addition to the Color 4D line of pavers. Summoning the charm and elegance of old New England, the sleek, large format design allows for unlimited possibilities that rival the best patterns found in natural stone. Couple this with the Advanced Technology in Color 4D at a great price point, Windsor Slab is sure to be a popular choice among homeowners, contractors and designers!

Manufactured to meet ASTM C-396.

Notes

- A compactor equipped with rollers must be used when compacting.
- Product color will vary slightly from pallet to pallet to replicate the color range of natural stone.
- On multi-pallet jobs, it is important to have all pallets on site prior to beginning and mix product when installing.

See Windsor Slab pattern guide for placement options.
