Advanced Stain & Acid Resistance

Advanced Color Tones & Fastness

Advanced Freeze-Thaw Capability

Advanced Efflorescence Protection  
Efflo-Guard™

# Why buy concrete pavers when you can buy concrete pavers with Advanced Technology?

- Features deeper, richer colors that remain vibrant for years
- Designed to endure harsh freeze-thaw cycles and holds up better to de-icing materials
- Exceed ASTM and CSA standards for durability
- Exceptional resistance to stains, UV rays, and acid rain, ensuring long-lasting protection
- Efflorescence is no match for the improved surface and matrix of our Color 4D Technology
