

FIRE PITS

Enjoy the warmth and charm of a glowing fire with family and friends. Our affordable "Block-n-Ring" Fire Pits are compact, solid in construction and easy to build. There is no guess work! Choose from four styles in either square or round configurations - ScapeStone, ScapeStone XL, Roman Pisa, and Olde Boston. Fire pits can be customized by adding banding, coping, cooking grates or gas inserts.

STEEL INSERT & COPING OPTIONS

A steel ring is required for all wood burning fire pits. Stone must fill the fire pit at least to the bottom of the ring. If upgrading to a gas insert, no ring is necessary but may help with a tighter fit. CastStone Coping is an option available for all fire pits (required for Roman Pisa fire pit).
